

PARIS **Batucada** 

THE ORIGINAL

Batucada brings you a collection that immerses your foot in sensuality. The sleek and curvaceous patterns offered in the season's most exciting colors are the epitome of sexy. Edgy designs and silky proprietary materials converge to create a breathable, lightweight and supremely comfortable wearing experience. You will love walking in our shoes...

MANDALA

As a spiritual symbol representing the universe,
you are walking on a cloud in unparalleled comfort
and with pure elegance.
Visit a divine world without being coerced
away from where you stand.

HAWAII

While your feet are firmly on the ground enveloped in floral beauty, you are transported to the paradise of the islands.. follow your heart to Hawaii..

SWEET FLOWER

From an exquisite bouquet to the sublime beauty of a garden blooming with nature's splendor, each step unveils your elegance. Walk among petals that will never fade...

ACACIA

A symbol of life and eternity this design inspired by the Acacia tree is a tribute to your femininity. Charming and infinitely comfortable... step in... you won't regret it.

SWELL

Walk in the sun-kissed foam of the waves all day!
Swathe your feet in softness and experience the freedom
and joy of true comfort in every step.

INDIA

Radiate with the kind of bliss that spawns the envy of the Sun!
The Tantric-inspired design and an amazing lightweight sole create
the perfect balance between sophistication and comfort.

INDIA
COMPENSÉES

Tantric-inspired design and the ultimate lightweight sole for comfort that gives you the buoyancy to stay on top of your day... all day... looking your best.

INDIA
BALLERINES

The ultimate manifestation of tantric-inspired design,
a ballerina slipper that will leave everyone around you
longing to be in your shoes...

DI MACCIO
BIJOU DE PIED

Unique floating graphics inspired by ancient and futuristic art adorn your foot. Walking without a sole has never been this sophisticated and simply beautiful.
